PASTOR'S CORNER

Grateful While We Wait

Church family, last month we thanked God for 150 years at The Mount. I'm grateful for the people whose prayers and service brought us this far. This Thanksgiving, I'm thinking about those who will sit at the table with a prayer they're still waiting on God to answer.

Jairus came to Jesus because his daughter was dying. On the way to his house, Jesus stopped to speak to a woman who had just been healed. Then came word that Jairus's daughter had died. Jesus told him, "Be not afraid, only believe."

Some of us know what it's like to celebrate somebody else's good news and go home to the same burden. Bring both to God. Thank Him for one way He has carried you, and tell Him honestly what still hurts.

As we continue Embracing Your Exodus, call someone who's had a hard year. Give them time to tell you how they're really doing. Then pray with them.
